Dear Clint,

Thank you for helping to make our **Child Nutrition Inservice** for the *2006-2007* school year a big success! We have received many positive comments about your presentation. It gave such a positive and hopefully lasting impression on our staff. The simple, but extremely meaningful life lessons were a great reminder for all of us to "*lighten up*" and enjoy the many blessings we are given.

A list of potential clients is also included for you.

I wish you continued success in your business and hope we have the opportunity to meet again.

Sincerely,

Dani Sheffield, Executive Director
Child Nutrition Services
