Dear Clint:

I want to let you know that you gave one of the best send offs that members of our organization have ever heard. After a three-day meeting the last hour has always been a bit tough to keep everyone's attention but I have to say you did it. The responses you have received from our meeting survey that we send out have been the highest ever.

You had great ideas, and I want to thank you sincerely for sharing them with us. We hope you'll join us again as our guest speaker at a future meeting.

Very truly yours,

ANSON INDUSTRIES INC.
