Dear Clint,

I want to express my gratitude for an excellent presentation at the Florida Chapter, Club Managers Association of America October Workshop in Longboat Key. "Leadership: Moving Toward Personal Accountability" was a lively, informative, and fast-paced educational session. I continued to receive complements on your presentation the entire weekend!

As the Education Chairman for the Florida Chapter – CMAA I must say that it was a pleasure working with you. I appreciated your attention to detail and professionalism both prior to and during the weekend workshop.

I look forward to working with you again in the near future!

Sincerely,

Scott Fairbairn, CCM
