Dear Dave,

We thank you for your assistance in coordinating Clint Swindall's appearance at our recent convention. The attendees welcomed Clint back with open arms and were quite pleased with the seminar. As always, we found Clint to be very professional and easy to work with regarding our schedule. Please send him our thanks and well wishes.

The I.E.H.A. 38th Association Convention was truly a success, and Clint helped us achieve our goal.

Sincerely,

Jeannine Hamilton
