c/o Awesome Speakers
3243 Swandale Street
San Antonio, TX 78230-4439

Dear Clint:

Whew!!! What a presentation . . . Words that come to mind immediately are "high voltage", "energetic", "genuine", "strong message". We thought your presentations, both of them, were fantastic.

You delivered the information in a relaxed, entertaining fashion never losing sight of the points you were trying to make. Some of the information we may have heard before but it never really registered. You got our attention and believe me the group got your message!!

We would love to have you come back at another time and do one of your other presentations. Please keep us on your mailing list when you announce new programs. Dave and Kay at Awesome Speakers did a great job by recommending you for our convention. We hope to work with them again as well.

Your "tell me somethin' good" slogan has been passed on to my kids and friends. They don't know quite what to do when I say that!! It does get one's attention.

All best to you are your family,
