Dear Clint:

On behalf of the Texas Apartment Association's Education Conference Committee, Education Committee and staff, thank you for being a very important part of the TAA's 38th Annual Education Conference and Lone Star Expo in Dallas. Your participation as a speaker supports many of our goals – the first and foremost of which is to be a valuable resource for rental housing professionals.

This year's conference drew approximately 2,300 total attendees, and the Lone Star Expo featured 250 booths displaying a wide variety of products that cater to the rental housing owners and management professionals.

Enclosed please find a copy of the summary of evaluations from your seminars. Also, you will find a complimentary copy of each seminar audio tape. With many hours of educational programming to choose from, the audio tapes give our attendees the freedom to choose between seminars, yet still gain the education from other seminars they might have missed. Thank you for your willingness to help us provide our attendees with options. For additional copies of the audio tape, you can contact Nationwide Recording Services at (972) 484 8273.

Once again Clint, thank you for all the time and energy you devoted to your presentations. It has certainly been a pleasure working with you, and I look forward to another opportunity in the future. If there is anything I can do for you, please don't hesitate to contact me at (512) 479-6252 or angelica@taa.org. In the meantime, mark your calendar - the 39th TAA Annual Education Conference and Expo will take place May 16-18, 2002 in Houston.

Sincerely,

Angelica B. Stehling, CMP
Director of Education and Meetings
