**Clint Swindall Designated Certified Speaking Professional**

(SAN ANTONIO, TX – June 1, 2005) Clint Swindall, the president & CEO of Verbalocity, Inc., has earned the Certified Speaking Professional (CSP) designation.

The CSP is the speaking profession's international measure of speaking expertise and skill. Fewer than 10 percent of the speakers who belong to the National Speakers Association (NSA) and the International Federation for Professional Speakers (IFPS) hold this professional designation.

The CSP designation is conferred by NSA and IFPS only on accomplished professional speakers who have earned it by meeting strict criteria. CSPs must document a proven track record of continuing speaking experience and expertise as well as a commitment to ongoing education, outstanding client service and ethical behavior. Swindall is one of 35 professionals to earn the CSP in the class of 2005. Swindall will be honored during a ceremony on July 10 at the 2005 NSA Convention in Atlanta, GA.

*The National Speakers Association (NSA) is the leading organization for professional speakers. Since 1973, NSA has provided resources and education designed to advance the skills, integrity and value of its members and speaking profession.
